

I would like to share with you how important K-love (91.3fm) is to me. It is so encouraging to me and my family. I love to listen to it because I know it is safe for my young children to listen to as well. It would be detrimental to our community if k-love was taken off the air. I believe that people find hope and support from this radio station. I believe that k-love has always had the communities best interest at heart. Please leave K-love on the air. It would be a great loss if it was taken off. Thank you for your time.
